

ABOUT US

Stittsville Village Association is a diverse group of volunteers, composed of established and new residents and business owners from within the community.

The association organizes annual village events which include the holiday Parade of Lights, Canada Day and Arts in the Park.

We also engage with other local organizations and municipal councillors supporting and advocating for issues that are important to our growing community, including planning and development, youth and seniors issues.

We hold a monthly meeting, which is open to the public, on the first Thursday of every month. Visit our contact us page for more information.
